

WELCOME TO SIBON JAYA

THE ULTIMATE SURF EXPERIENCE

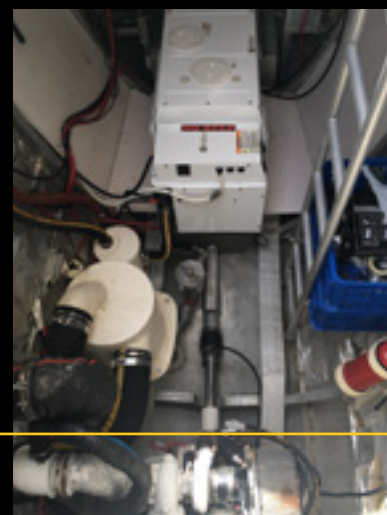

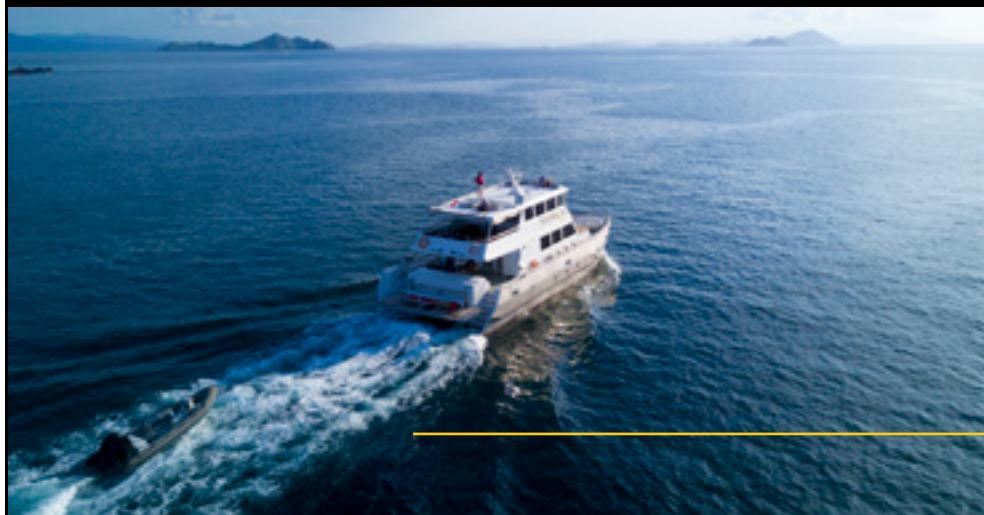

a Sibon Charter's Yatch

THE BOAT

Sibon Jaya is a 70 feet Aluminum Power Catamaran built in 2015 especially for boat trips in Indonesia. The boat was designed by the Australian legend Robert Wilson, who came for the first time to Indonesia on 1974. As his seventh boat, Robert brought to Sibon Jaya all the experience he had on the last decades, combining speed, comfort, safety and many luxury details to deliver the best and most comfort surf experience anyone could have on the Mentawai.

The boat has Twin Cummins QSB 6.7 Engines, delivering speed up to 13 knots. Our two Onan 13.5 KVA generators are totally silent (you won't listen them anytime). It has 10 tons of fuel capacity, 6 tons of water capacity and a water maker that can make 400 liters per hour.

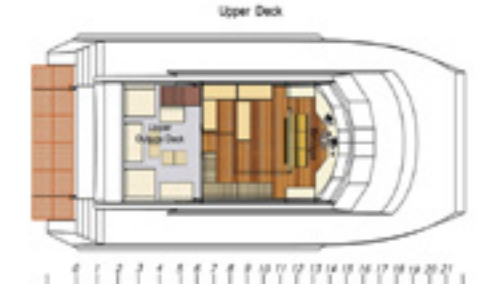

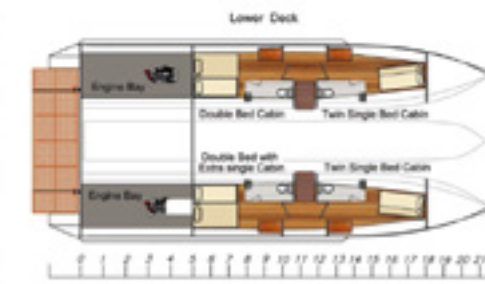

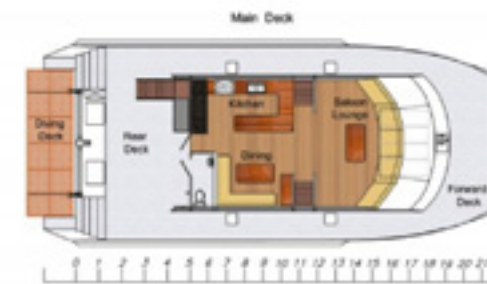

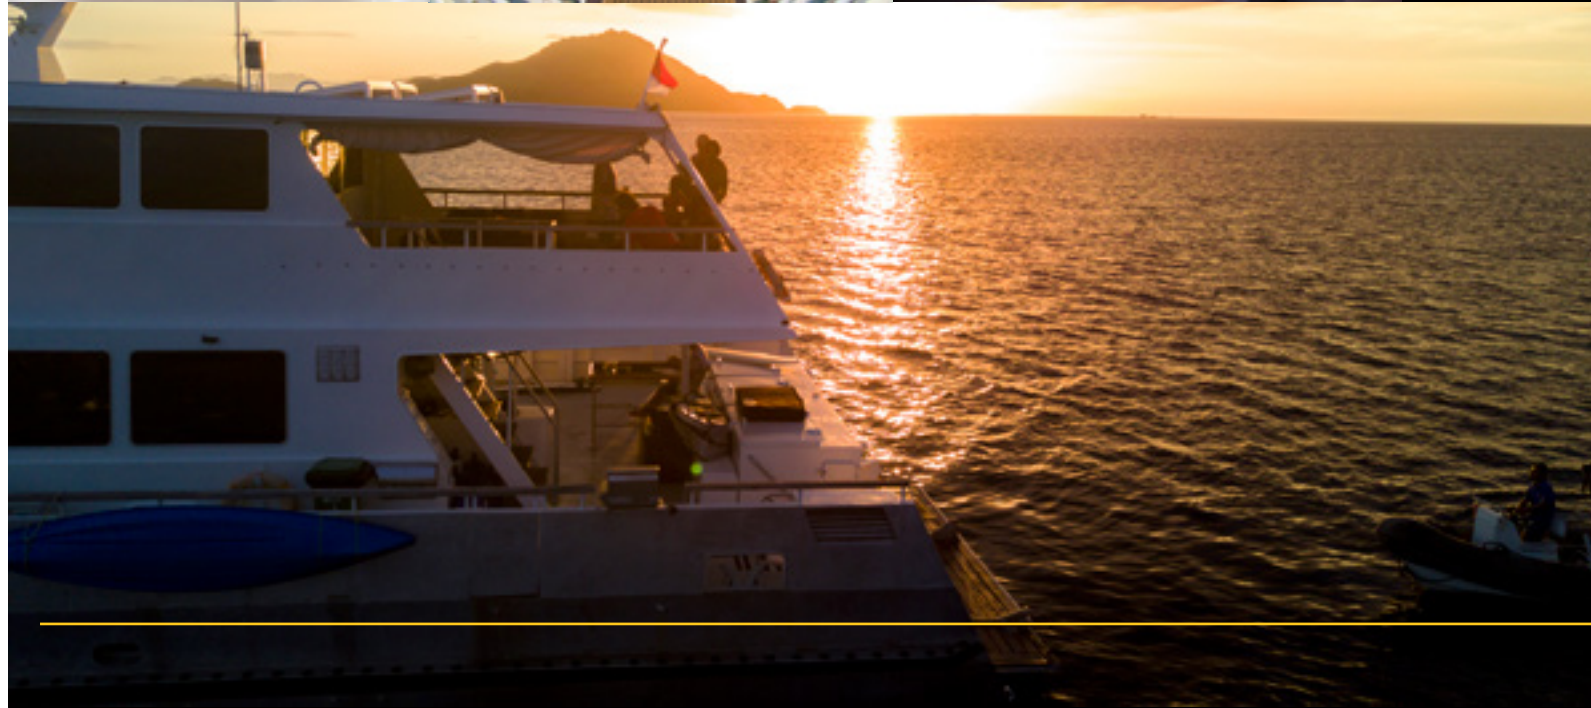

Sibon Jaya has also 4 solar panels to ensure your hot shower on all 4 suite's bathroom and all the technology needed to keep you safe! We are so keen to give you safety that all the engine rooms are equipped with security cameras which allows our mechanic engineer to check the engine room 24h a day.

But the luxury begins inside the dinning room end in our 4 suites. All rooms are equipped with 220V plugs around all beds, reading lights and luxury linens. We ensure you will feel like on a 5 stars bed. All doors and walls are sound insulated from the engine room noise and you also won't hear the water hitting outside the hull when anchored. All bathrooms have hot shower and Japanese bidet system on all toilets.

THE BOAT

On the upper deck, rear, you will enjoy a large area with many sofas and a lot of space to rest and lay down watching the waves and sunset.

And to not compromise our guest's comfort, all our indoor spaces are air-conditioned, the boat is equipped with sound system, a spacious dining room with TV LCD 42' and a DVD player, it also has also one more big bathroom outside and our guests are welcome to use anytime our complimentary outdoor entertainment equipment (fishing gear, two kayaks, snorkels and stand-up paddle).

THE SERVICE

Sibon Jaya departs from Padang harbor on Sumatra Islands. As soon as you arrive on the airport, you don't have to worry about anything else. A member of Sibon Charters Team will be waiting for you and your friends on the arrival, forwarding your luggage and boardbags to the harbor in a special big vehicle. Passengers will be transferred on an air-conditioned and comfortable van. Don't forget your International Certificate of Vaccination against Yellow Fever (ICV), which is mandatory in Indonesia (if you come from a high risk country).

If your flight arrives too early before the boat departure, our team will take you to Bonsai Surf Lodge, another partner of Sibon Charters that is ready to accommodate you as long as necessary, with no additional cost. The lodge offers restaurant service and free use of pool and internet access.

Sibon's crew is formed by six people. The captain has an amazing experience and knowledge of all the spots on north of Indonesia. Our chef, that is working with Sibon Charters since 2012, has a long experience of years cooking on many other charter boats. He has magic hands and makes gourmet and unforgettable meals.

The mechanic engineer is very experienced and worked for many years in many other boats as well on the islands and have a deep and specific knowledge of Sibon's engines and machines. Our crew also has two more deck hands. One of them is in charge of the daily cleaning and room service and the other one is all day long ready to take our guests to the waves and beaches with our dingy (assistant boat).

Sibon Jaya also has a photographer and videomaker, extremely competent and dedicated, ready all day to register all those special moments of the trip. He is compromised to take pictures of surf sessions, from inside the water, from the dingy or from the land, as well as register many lifestyle moments of the guests. Besides that, he is our surf guide, he knows the Mentawai really well and by analyzing the weekly swell and considering our guest's preferences he guides our boat to the best wave of the day.

Our main goal is to surf perfect waves with no crowd! That's our daily mission.

THE SERVICE

Photos and Videos

The photos and videos package is optional and paid directly to the photographer on the boat at the end of the trip. It's important to bring a pen drive of at least 8 GB or an external HD, so you can save your images with safety.

Food

On Sibon all meals are included as well as beverages like juices, isotonic, soft drinks, tea, coffee and beer (24 beers per person - if you wish more, we will get your order before departure and charge the local price). With high quality and selected ingredients, such as fresh fish, lobster, prawn, squids, lamb, fresh vegetables, our chef prepares three daily big meals.

Breakfast: your choice of eggs, pancakes, fresh fruit salad, yogurt, selection of breads, cakes, cheeses, cereals, coffee, juices and what else you desire, as much as you want.

Lunch: Healthy and nutritious meals, chef's choice. This meal is usually a light and healthy meal, for a special reason: we don't want our guests without energy for the afternoon's surf session. For that reason, it's important to eat easy-to-digest meals.

Dinner: After an intense and perfect surf day, our chef will make a big, delicious and well elaborated meal, with many option of protein, carbs, salads, fresh vegetables, all made with selected and high quality ingredients.

THE SERVICE

Besides these three big meals, we offer as well a variety of snacks to eat at any time of the day and as much as you want. Cookies, fruits, Yogurt, nuts, breads, jelly, peanut butter, a selection of high quality chocolates, cereals, biscuits and much more. Just make yourself at home and eat whatever you want, anytime.

One of the biggest concerns of Sibon Company is the hygiene and organization of the boat. Everyday, after you leave the boat and go surf, we will make the room service, including organizing and cleaning all your room and bathroom. We value the perfect cleaning of every ambient.
